Dear Texas Building Owners and Managers Association members,

After last week's primary victory, we are one step closer to continuing our mission of keeping Texas strong and a model for the nation.

I want to thank you for your support and public endorsement during the primary election. I was proud and humbled to have you stand by my side and share in my vision of keeping Texas moving forward. It is my desire to lead our state decisively and ensure that Texas continues to remain strong and competitive on a national and global scale while preserving our Texas values.

While last week's victory was milestone in this campaign, we still have a lot of work in front of us. I'm writing today to ask for your steadfast support in my effort to win the general election. I trust that I can count on your continued endorsement and shared vision of leading Texas.

I hope we can depend on your support as we continue our efforts to victory in November. I appreciate your friendship and support.

Sincerely,
